Frequently Asked Questions

Why are there two registration forms?
There are two different registration options to sign up for Hike for Hospice.

The Online Registration form allows you to create your own fundraiser page that tracks your online and offline pledges. You can then share your page on social media or by email so people can make pledges.

The Mail-in Registration form is for those of us that prefer a more traditional method of fundraising. Fill out the Mail-in Registration Form and mail to us directly. The mailing address is on the form. You can also scan or take a picture of the completed mail-in registration form and email it to us as well.

If I register online, do I still have to use the downloadable pledge form for offline pledges?
Yes. The downloadable pledge form is for tracking offline pledges for people that donated by cheque, money order, or e-transfer. Mail or email the Offline Pledge form and pledges to us so that we can send the donor a charitable reciept for their contribution.

How do I track pledges if I registered online?
When you register online, CanadaHelps.org automatically tracks your online pledges for you.

You can track your offline pledges as well, but you have to enter them manually. The process is quite simple. Please use the downloadable Offline Pledge Form as well for pledges made by cheque, money order, or e-transfer so that we can send the donor a charitable donation receipt for their contribution.

How do I raise pledges during COVID-19?
COVID-19 has affected all of our lives, including how to fundraise and gather pledges. The QDHPCA has linked all the fundraiser pages of participants and teams on this page to help people find you. People can also use make their pledges online by pressing the button below to find your fundraiser team on CanadaHelps.org.

Below are some other ideas on how to raise pledges during COVID-19:

1. Share your CanadaHelps.org fundraiser page on Facebook, Instagram, Twitter, etc.
2. Make your fundraiser page personal. Add stories of why you are hiking
3. Share your CanadaHelps.org fundraiser page with friends & family
4. Update your Facebook post weekly
5. Email your CanadaHelps.org fundraiser page to friends & family
6. Print off the participant poster and hang up in your place of business or work
7. Post on Messenger to your friends & family
8. Carry the participant poster, pledge sheets, and an envelope with you when visiting people in your bubble

Do I give receipts to the people who gave me pledges?
No, if you are gathering pledges online through our CanadaHelps.org fundraiser event, then CanadaHelps.org emails a receipt to the donor.

If you are gathering offline pledges, such as cheques, money orders, or e-transfer pledges, then fill out the downloadable pledge sheet with the donor's information. Mail the cheques, money orders, and e-transfer information to us along with the pledge sheet and we will send the donors a receipt.

Do I have to hike every day from May 3-9?
No, you do your hike on whatever day works for you from May 3 - 9 up to a maximum of 5km.
